

SEND Feedback Event: You Said We Did

After the success of our recent SEND Feedback Event: You said we did, in December 2024, we are delighted to announce there will be more events taking place!

We received lots of positive feedback from parents and carers and learned invaluable information by listening to your experience which will help shape our future work together.

The purpose of these events is to offer an opportunity for parents and carers of South Tyneside to find out more about the progress we are continually making within SEND and to help determine next steps. This is your opportunity to meet with senior leaders across Education, Health and Care, ask questions and for us to work together to improve services across our local area for SEND families.

YOUR VOICE MATTERS!

Thursday 27th March, 10am – 2pm

Jarrow Focus, Cambrian Street, Jarrow, NE32 3QN

(Please arrive 9:45am) Lunch and refreshments provided.
