

# RE Day May 2025

In Reception the children have been learning about special buildings, why they are sacred along with their rules and routines. We also talked about what you might find in the buildings, what is celebrated in them and how they are similar and how they are different.

The children then went and built their own special buildings.

In year 1 they have learned about where we belong. They then went onto talk about how Christians know that they belong in the Christian faith. To celebrate how they belong in school, they made a class jigsaw.

They also looked at how Christians welcome babies into their faith. They identified objects that may be seen at a baptism and their importance.

In year 2 they have been learning about The Venerable Bede. They drew him, created a timeline and used a piece of artwork to discuss inference. They also created some amazing illuminated letters and looked at Jarrow Hall on their chrome books.

In year 3 the children found out what Hindus believe about their Gods. They looked at and learned about symbols connected with Hindu Murtis, Trimurti and talked about why Ganesh is so important to Hindus. a and looked at the Trimurti. The children created some amazingly colourful Mandala artwork. They also acted out the story of Ganesh.

In year 4 the children discussed and did some work on how different religions show care for others. They then went onto discuss the ten commandments and created their own commandments. In the afternoon, they researched a Christian charity and created posters and power points about them.
