

Dear Parents and Carers,

As previously discussed, Hebburn Lakes is moving toward a more practical Active Uniform starting this September. This change reflects our commitment to ensuring our students are comfortable, ready for physical activity, and focused on their learning throughout the day.

The New Active Uniform

The new dress code will consist of the following items:

- **1/4 Zip-Up Top:** Featuring the Hebburn Lakes logo.
- **Bottoms:** Plain black tracksuit or jogging bottoms or leggings (thick sports style material unbranded). Shorts and Skorts can be worn during warmer weather.
- **T-Shirt:** Plain white or black t-shirt (unbranded; cotton or sports material).
- **Footwear:** Plain black trainers (white soles are acceptable but no colours or large logos).

Funding and Affordability

We understand that any change in uniform can be an additional expense. We are currently in the process of securing funding with the goal of providing one 1/4 zip-up top free of charge for every student. Regarding the other items, we have specifically chosen pieces that can be easily sourced from local supermarkets to ensure this remains the most cost-effective option for our families.

Next Steps: Sizing and Orders

In the coming weeks, we will arrange sessions for parents to bring their children into school to try on the zip-up tops. This will allow you to decide on the correct size before we place the order. At this time, we will also share details on how you can purchase any additional tops directly from our supplier.

Thank you for your continued support as we make this positive shift for our school. Should you have any questions regarding these changes, please do not hesitate to contact the school office.

Kind regards,

Mrs Moody
