

# Accessing Google Classroom at home

Make sure the device has signed out of any other google log in

Access the internet. Find Highfield Middle School website Click the Login button

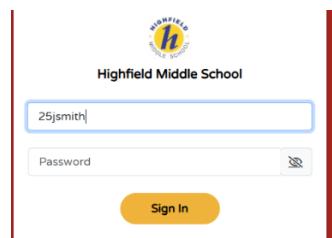

From Select a school choose Highfield Middle School

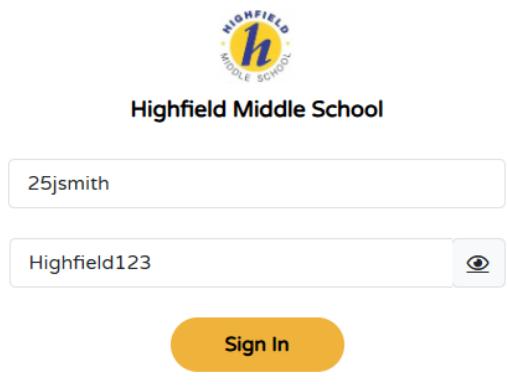

Year 5 Username is **25FirstInitialOfFirstNameSurname**  
eg Jane Smith would be **25JSmith**

This is the same Username pupils use to log into school computers and should be in diaries

Password is **Highfield** then **three numbers** no spaces again this should be the same password pupils use to access the school computer. The Highfield should start with a capital H but try with a lowercase h as pupils entered this password themselves

Once signed in across the top of the bar is the google classroom button. Click here and this will take you to google classroom
