

REMOTE LEARNING LEARNER GUIDE – KEYSTAGE 4

Are you Learning From Home Because Your Bubble Has Closed?

Start of the day - what I need to know and do

- School still starts at 8.30 (So make sure those alarms are and you are up and ready to go). If you can't access google classroom message your Year Manager through class charts messenger.
- You must be logged on through your coaching Google classroom and on the Google meet ready for your coach to check in with you daily. Link automatically created and clearly visible in coaching Google class (A register is automatically taken when you sign on)
- Your coach will provide you with any information you need for the day.
- This will be done through the question/chat section of the meeting – Your coach will not be visible on the camera
- Coaching resources will be uploaded on class charts daily.

Completing my work and lessons

Written tasks/Independent Learning

These will continue to be uploaded on a Monday – instructions via class charts and this will direct you to the correct platform to use for that subject.

The tasks set by the teacher should all be completed. It is not optional.

LIVE LESSONS – THROUGH GOOGLE CLASSROOM AND GOOGLE MEET

- A timetable has been created (this does not follow your normal timetable so please check it carefully).
- When the subject is scheduled you should sign on to the specific subject Google classroom and click on the link which will take you to a Google meet.
- A teacher will deliver content live over the Google meet.
- Make sure you are logged on waiting for your lesson to start
- Make sure your microphone, video and camera are turned off

Just because you are at home it is really important that you continue with your school work. Don't start losing that routine - no late nights and lie ins. It is still a school day for you and we are here to help you.

set

The rules of online learning – THESE MUST BE FOLLOWED

- We expect the same standards of behaviour during live lessons, as we would in school. Any inappropriate behaviour will be logged and appropriate sanctions will be applied when you return to school.
- The live lessons being streamed by staff are only intended for your viewing.
- They are not to be shared with anyone else.
- They must not be recorded, uploaded, shared or subject to comment (via screenshot).
- Make sure your microphone and video are off.
- You should only ask questions to your teacher, nobody else in the group.
- Questions must only be asked about the work.
- Anyone found to be breaking any of these will be dealt with appropriately.

Year 10 Timetable – Starting Wednesday 14th October to Friday 23rd October

These live lessons will provide you with direct instruction. Your teacher will explain/introduce you to any new content/topics you are covering this week. Any questions you can use the google chat function. Remember, this is the same as a lesson at school. You should only ask questions to your teacher, nobody else in the group. You should make sure your questions are about the work you are doing.

How to log on?

- Login through Kepier learner platform – with your real smart password
- Access your Google classroom
- Select the class/subject in line with the timetable
- Click on the Google meet link at visible at the top of the page
