Educational Setting Internship

Do you want to gain experience of working in an educational setting?
Are you a graduate or postgraduate?

Kepier is based in Houghton-le-Spring and is one of the largest secondary schools in the area. As an Academy, we provide education to learners aged 11-16 and deliver our own internal business support; such as Catering, Human Resources, Financial, Site Services and Learning Support. We employ circa 140 staff (including over 50 teachers).

If you would like to gain experience of working in this environment, we want to hear from you.

This experience will give you the opportunity to apply for substantive posts and could give you the career change you have always wanted.

This is a position without salary, expenses may be paid where appropriate. However, there will be the opportunity to apply for positions that become available; which could be yours!

Please complete the application form and we look forward to hearing from you.
