Dear Parents/Carers,

**Re: Examinations Next Year**

Firstly, I would like to thank all of our Year 10 families for your continued support in what is a very challenging time for everyone. We are certainly living in a time of great uncertainty and we fully appreciate the exam issue has created further stress and anxiety.

It goes without saying that Year 10 is a vital year in your child's education. Currently we have no idea how the coming months will look as learners work towards their final exams and qualifications.

Therefore, it is vitally important your child engages with all of the remote learning that is set. They will need to stay on top of coursework assignments and classwork to ensure that they are fully up to date. The work your child is completing now may influence final grades and it is vital that they use this time now to give themselves every chance of success next year. If you need support with regards to access of IT equipment/internet, please get in touch with Mrs Brown and this can be arranged for you.

I thank you in advance for your support and if you would like to discuss things any further please do contact staff in school who can offer support through this challenging time.

Yours sincerely,

*N Ashton*
