Dear Parent / Carer,

**FAO: Parents and Carers who have given consent for their child to participate in Lateral Flow Testing**

Thank you for your continued support with Lateral Flow Testing, is nearing completion of the initial in school testing programme. Kepier has received delivery of your child's COVID-19 Self-Test (Rapid Antigen Test).

On Friday 12<sup>th</sup> March 2021, your child will be issued with 2 boxes of self-testing kits which contain 3 individual tests (please see pictures below). Alongside this you will also receive a 'Your Step by Step guide for COVID-19 self-testing) which includes how to record their results.

- Kepier would encourage you to continue participating COVID-19 self-testing (twice weekly, 3-5 days apart), however this is voluntary and you can choose to stop testing at any stage.
- There is no requirement that you share your child's negative results with Kepier. However, all results should be uploaded to NHS Track and Trace.
