15th March 2021

Dear Parents and Carers,

The COVID-19 Schools Infections Survey (SIS) team are returning on Wednesday 24th and Thursday 25th March 2021 to continue with the next round of testing in this study.

If you are already enrolled in the SIS and received a Home Test kit in the previous round of testing, then you will not need to give consent again to receive further Home Testing kits.

If your child is not registered and would like to take part in future testing in the study, then it's not too late. **Register by Thursday 18th March** by following this link.

<https://www.oc-meridian.com/Desktop/Portal/signup?id=cisschools&referralcode=137262>

The SIS Team has asked me to tell you that enrolment into this study is already making a big difference in helping them to understand the transmission of the virus. And they thank you for your valuable contribution to this important study. Every test makes a difference.

Yours faithfully,

Mrs N Ashton
Principal
