Activities in School...

In your English lessons today your teachers have each chosen a poem they really want to share with you.

You will be getting to read their chosen poem and find out why your teacher selected it.

If you think you have what it takes to win a poetry competition you need to see **Miss Cassidy in 106**. She is organising our entries into the national 'Empowered' poetry competition for learners aged 11-18. Call in to get all of the details you need to enter.

What can you do at home?

Read A Poem

There is a selection of poems on the National Poetry Day 2021 website with the theme of Choice to get you inspired and more will be added throughout 2021. Get involved with people national by telling everyone what you are reading using the hashtag #NationalPoetryDay.

Write a poem

What better motivation to write a poem than to have your work shared with and celebrated by others? Take part in either the competition Miss Cassidy is running or one of the competitions on the National Poetry Day 2021 Website.

Share a poem

Send a poem to a friend or loved one. Or use #NationalPoetryDay to share any poems more widely.
