Access to laptops to complete homework and independent study

You said. We heard.

At the start of this academic year we tried a few new changes to the menu options.

We understand that some learners found these changes a little difficult. Based on parent/carer and learner feedback we have now put back on the menu the Kepier classics of Katsu Curry, 'Pazini' and plain and spicy chicken burgers.

The daily special will continue.

Starts after half term on a Thursday with Mrs Andrews and Miss Fairbairn. If you would like to attend please sign up in advance. Places will be allocated on a first come first serve basis.

Research Project

Our school is helping Loughborough University with a study about food labelling. For more information about the study see <https://bit.ly/3RheZTO>.

If you have any questions, please contact Mrs Kulandhaismy

Take a look at the menu and daily special in advance!

Pain au Chocolat is back by popular demand! Available to purchase at Breakfast

Have your say!

Taster sessions will be taking place to try out new menu items. Further information to follow.

Breaktime

Year 9 Update - We are going to trial allowing year 9 to purchase items at break time without preordering via the app.

Year 10 and 11 continue on as normal – do not need to preorder
Year 7 and 8 will continue to preorder via the fusion app at Breaktime. At this stage this is the only way they can purchase items at break.

Overdrafts

We are unfortunately no longer able to offer a temporary overdraft for learners with insufficient funds. We would ask that all parents/carers regularly check their child's ParentPay account to ensure funds are available.

Free School Meals

We understand that circumstances may have changed, so we would encourage all parents/carers to check their eligibility for this via the website below:

Christmas Lunch

We are very pleased to announce that we will be offering a Christmas Lunch. Further details to follow next term for dates and times. This will be on offer and available to all year groups.
