Planners for all Learners

We have introduced a new half termly planner. This is based on feedback from learners around supporting their organisation and planning.

This is now an expected piece of equipment that should be carried and used every day. (Along with a pen, red pen, ruler, pencil, calculator). Each morning the coach will be supporting to organise, plan, and use the planner. We will be asking for feedback from all in the summer term.

What's coming up this term?

Even though this is only a 5 week term, we have a number of events that learners/parents/carers and family can be involved with. Keep a look out for information being sent out directly linked to these events over the next few weeks.
