Help us keep Kepier shining.

We're currently recruiting a part time Cleaner to join our cleaning and facilities team, contracted to 30 hours per week. As one of our dedicated Cleaners, you will help to deliver on our promise to always create the best and brightest experiences for our learners and colleagues. If you're a committed Cleaner looking for a role you'll shine in, we've got the position for you.

Working alongside our cleaning and facilities teams to keep environments safe and hygienic for every client and customer. Dusting, sweeping, polishing, mopping, and vacuuming designated areas to a high standard. Ensuring surface areas, floors, windows, and other touchpoints are sanitised regularly. Performing additional cleaning duties as and when required, such as mopping up spillages quickly and efficiently. Emptying and disposing of bin waste. The ideal candidate will have brilliant organisational skills and attention to detail, enjoy working in a hands-on role and have had cleaning experience in a similar role, although this is not essential.

The school is fully committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment. As part of our due diligence and to comply with our obligations in line with Keeping Children Safe in Education, an online search of publicly available information will be undertaken for all shortlisted candidates. Any offer of employment will be subject to successfully completing pre-employment checks, including an enhanced DBS disclosure and a Children's Barred List check. This post is exempt from the Rehabilitation of Offenders Act 1974 and we ask applicants to declare all previous convictions and cautions in order to assess their suitability to work with children.

Application form, job description and person specification are available at Kepier Reception or online at www.kepier.com. Application forms (please do not attach additional letters, CV's or statements) should be returned to recruitment@kepier.com no later than 12 pm noon on 27th March 2025, it is hoped that interviews will take place the following week.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
