Head of School . Mrs G Mckinnon

Sanchita Chaudhary - Staff Governor

I have been working at Kingsway Primary School as a teacher since 2014 and as a Deputy Head Teacher from 2020.

I was born and brought up in India where I pursued my Bachelors degree followed by Masters in English Literature before moving over to the UK. Leicester has always provided me with the unique combination of the English traditions and multicultural environment which has created a true sense of belonging for me.

I am a compassionate and visionary person and my leadership style is marked by inclusivity and transparency. Working for Kingsway and LiFE Academy Trust has provided me with the opportunity to connect with people on a personal level which creates an atmosphere of trust and collaboration.

My aim is to work towards my vision of developing staff and pupil agency so that they become the voice of our school and Kingsway can become the beacon for the community it serves. My role in this is to develop and maintain positive relationships, promote well being of staff and children so that everyone at Kingsway can thrive.
