Michela James - Parent Governor

My name is Michaela James. I joined Kingsway as a Parent Governor in December 2022.

I live locally, in Braunstone, and have two children at Kingsway Primary School and one toddler who will hopefully attend in the future.

I wanted to join the governing body to be involved in the development of my local school, and am particularly interested in the way that Kingsway supports children's emotional wellbeing, as well as their academic education.

I have been a teacher for 10 years, working at a school in the city centre, and child development and learning is very important to me. I look forward to working with school staff to ensure progress and high standards for all of our children.
