**Head of School . Mrs G Mckinnon**

## **Germaine Mckinnon - Head of School**

I have been Head of School at Kingsway since August 2022, previously working at another primary school within the LiFE Academy Trust as an Assistant Head Teacher.

I have lived in Leicester my whole life and am proud to have been educated in the city from infant school to University.

My career in teaching started quite late and prior to this I worked in theatre and with other local arts organisations. I am an avid theatre goer and supporter of the performing arts and I love seeing children develop as individuals when they engage in creative opportunities in these areas.

My ambition for the children at Kingsway is for them to flourish through a well planned, expertly delivered curriculum taught to them by highly skilled professionals. My role in this is to support everyone - our children, our staff and families, remain positive and to lead the school with compassion, ambition and fairness.

I highly appreciate the guidance of the governing body here at Kingsway and enjoy the support and challenge they provide in equal measure as we work collaboratively to make Kingsway Primary School a jewel within the community.
