Amanda McKenzie - Community Governor

I have been a governor since 2021 and vice chair of governors since 2022.

I have lived in Leicestershire for the last 14 years, with my husband and two children. Prior to living in Leicestershire I lived in Wiltshire and underwent teacher training at Bristol University.

My current role is Senior Leadership Partner of the Life Multi-Academy Trust, Assistant Head Teacher and Chair of the Leicestershire Standing Advisory Council for Religious Education.

The main interests that I hold in being chair of governors is to make sure that all young people at Kingsway Primary have the same rights and opportunities in order to achieve and be the best that they can be. I have a keen interest in making sure that young people are prepared for their futures and make a positive contribution to their communities. I believe there is nothing more important than the years that young people spend at primary school, learning to read and write, communicate and socialise with one another in order to be happy and safe members of our community.
