

Science

From Foundation Stage to Year 6 we have learnt:

- ★ To do relevant experiments that we can talk about and explain our learning
- ★ To make links between Science and Maths learning and know how to interpret graphs, charts and data
- ★ To know and use scientific vocabulary
- ★ To be enthusiastic about Science
- ★ To be willing to try and fail, then try in a different way
- ★ To know where science fits in the world and themselves
- ★ To know of how science links to other subjects
- ★ To ask questions and be curious
- ★ To recall and link prior learning
