

# Computing Curriculum

From Foundation Stage to Year 6 we have learnt:

- ★ To be able to use a keyboard and mouse
- ★ To be organised by creating folders & sub folders and use appropriate file names
- ★ Office skills including spreadsheets, word processing & publishing
- ★ To be online aware, understand e-safety and think about our actions, not words
- ★ To be coders, creating flowcharts, sequencing loops and choices
- ★ To be communicators who understand online etiquette, presentation skills and use of relevant computing vocabulary with understanding
- ★ To be logical thinkers and problem solvers, linked to real life situations
