Post Results Services – Summer 2026

The following information explains what may happen following an enquiry about the result of an examination. Please read this information carefully. It could have serious implications for your future.

Reviews of Results (RoRs)

If your examination centre makes an enquiry about the result of one of your examinations, after your subject grade has been issued, there are three possible outcomes;

- Your original mark is confirmed as correct, and there is no change to your grade
- Your original mark is raised, so your final grade may be higher than the original grade you received (a refund is received if the **Grade** increases)
- **Your original mark is lowered, so your final grade may be lower than the original grade you received**

GCE

1. **Priority Review of Marking** - This reviews the original marking and also includes a clerical re-check. The deadline is midday on **Monday 17th August 2026**. *Advised if you have a university place pending.*
2. **Priority Access to Scripts** - To help you decide on a possible review of marking. The deadline is midday on **Friday 14th August 2026** for the Priority Review of Marking above. The deadline for all other priority ATS requests is midday **Wednesday 26th August 2026**.
3. **Review of Marking** - This reviews the original marking and also includes a clerical re-check. The deadline is midday on **Monday 21st September 2026**.
4. **Clerical Re-check** - This checks all the clerical procedures e.g. all questions have been marked, totals correctly added up and correctly recorded. The deadline is midday on **Monday 21st September 2026**.
5. **Access to Scripts** – Copy of original marked paper. If you choose this service, your result cannot be altered, even if you discover the script was incorrectly marked. The deadline is midday on **Wednesday 23rd September 2026**.

Candidates must complete and sign a Candidate Post Results Service Request Form before any review of results can be made. This indicates that you have understood what the outcome might be.
