Dear Parent/Carer

Coronavirus Updated Information

As you know, the Government is updating information daily.

Current advice is that if any member of a household displays even mild symptoms of a cough and/or high temperature then everyone in that household will need to self-isolate for 14 days.

It has been advised not to call 111 unless symptoms worsen. Please keep school informed of any changes or confirmed cases of coronavirus.

If people are struggling at home, through self-isolating, please let the school know and we will do all we can to help. Please see below for contact numbers for any extra support or advice you may need.

Yours sincerely

M Lauder
Head Teacher

Hospitality and Hope (food parcels): 0191 4203336

Hebburn Helps (food parcels): 0191 4899707
