16th March 2020

Dear Parent/Guardian,

As we are sure you are aware, there is a possibility that the UK Government may take the decision to close all schools. While we hope that it will not come to that, we have to be prepared to ensure that your child will continue to access learning while at home, especially in this important academic year.

We have attached a daily timetable of work to be completed, e.g. reading, spelling, Maths, alongside some websites and online sites, e.g. My Maths, Reading Plus, Lexia, 123 Maths, which are useful. All children have their log in details in side their Monkey Books. The children will also get to bring their SAT Booster books and SAT test packs home which they should also complete as stated on the timetable.

We hope you appreciate the importance of ensuring that your child continues to do home learning at this time and encourage them to spend some of each day meeting their educational entitlement.

We thank you in advance for your support. If you have any queries, please do not hesitate to contact us.

Kind regards

Miss Cowper and Mrs Henderson
