

SOUTH TYNESIDE'S

**The Toby Henderson Trust**
The Doorway to Early Action in Autism

What we currently offer....

TTHT at the Autism Hub provides support for families with children and young people affected by autism (or suspected autism).

Virtual services currently include:

- Zoom family support group
- Zoom PECS & using visual aids support group
- Targeted webinars (please see our website www.ttht.co.uk and our Facebook page: *The Toby Henderson Trust at The Autism Hub*- for more information).
- One to one Zoom family support sessions.
- A range of autism specific COVID related resources are also available on our website and are being continuously updated.

In response to current COVID-19 restrictions, TTHT are offering all support services virtually.

To get in touch with any queries, please email:
