RE: Year 9 AC1 Assessments

Monday 21st October - Friday 25th October 2024

Dear Parent/Carer,

Students in Year 9 will be sitting their first round of assessments for all subjects next week. These assessments will be completed in classrooms. The dates for the assessments for each subject and topics that will be covered are attached to this letter.

Every assessment cycle is a crucial indicator of your child's current grade and progress in each subject. Please speak to them to ensure they take these assessments seriously.

Please support your child in their preparations for AC1 assessments and check they have a revision timetable in place to support them. Revision resources will be shared either on google classroom or as physical copies of booklets.

Should students need further support with how to revise in the run up to the exam, please ask them to speak with their tutors and class teachers.

The next assessment cycle (AC2) is scheduled to take place between Monday 19th May - Friday 23rd May 2025.

Good luck to Year 9!

Yours faithfully,

Alice Clay
Head of School
