RE: Year 11 AC2 Assessments

Monday 18th November 2024 - Wednesday 06th December 2024

Dear Parent/Carer,

Students in Year 11 will be sitting their second round of GCSE practice assessments for all subjects. These assessments will be mainly completed in the exams hall. The dates for the assessments for each subject and topics that will be covered are attached to this letter.

Every assessment cycle is a crucial indicator of your child's current grade and progress in each subject. Please speak to them to ensure they take these assessments seriously.

Please support your child in their preparations for AC2 assessments and check they have a revision timetable in place to support them. Revision resources have been shared either on google classroom or as physical copies of booklets.

The next assessment cycle (AC3) is scheduled to take place between Monday 24th February - Friday 07th March.

It's also really important for students to maintain a good sleep routine and healthy diet to keep well nourished during this time.

Should students need further support with how to revise in the run up to the exam, please ask them to speak with their tutors and class teachers. Ms Begum, Ms Saira and Ms Johal are also available for Y11 students to speak with for any general support.

Good luck to Year 11!

Yours faithfully,

Alice Clay
Headteacher
