**Re: Wednesday 8th January, 15.15 - 16.45,
GCSEs Explained, Parent Information Event**

Dear Parent/Carer,

I am writing to invite you to attend our Year 10 Information Event, GCSEs Explained, taking place on Wednesday 8th January, from 15.15 - 16.45.

This will be an invaluable opportunity for you to hear from the leadership team, head of year and pastoral manager on how to support students with revision, and information on the upcoming assessments on GCSE topics.

Alongside the presentations, there will be opportunity to speak with staff who teach the GCSE subjects including information on how to purchase revision guides, and a session for parents/carers on the college excellence programme.

You will be asked to check your personal details that we hold in our school system. If there has been an address change in the past few weeks and you need to update your record with us, please bring along a proof of address. If you are unsure of how to log in to G4S, we will also have staff available to help with sorting out logins.

Parking restrictions are in place around the school site: you are strongly recommended to use public transport or walk to school, where possible.

It is essential that you and your child attend the information evening in order for both of you to be part of the learning and progress conversations that will be taking place. Please complete the [online google form](#) no later than Monday 6th January to confirm your attendance to this event.

Yours sincerely,

Alice Clay
Headteacher
