Dear Parents/Guardians,

We are writing to you today with an exciting update regarding our school's communication and administrative systems.

you will shortly receive an email containing your unique login details to access the Arbor App.

Once logged in, you will be able to:

- Monitor your child's attendance in real-time
- View their academic timetable
- Keep track of any late detentions

Looking ahead to September, we are thrilled to announce that the Arbor App will expand its functionality even further. You will gain the ability to conveniently pay for your child's school meals, trips, exams, and much more, all directly through the app. You'll also be able to monitor their behaviour records.

We will be sharing more detailed information and guidance on how to make the most of the Arbor App before the end of the current term.

We believe this new system will greatly enhance our partnership and streamline your interactions with the school.

Kind regards,

Lister Community School
