

Juliet Mitchell

I grew up in Gulval, near Penzance and I attended Humphry Davy School and Penwith Sixth Form College. My father was Head of Geography at Penwith Sixth Form College so education was a large part of my childhood. I completed A Levels in French, German and Geography at Penwith Sixth Form College, before moving to Oxford to do a BA Hons degree in French and German at Oxford Brookes University, which included a year studying at Bordeaux and Salzburg Universities. I returned to Cornwall and completed an LCCI (London Chamber of Commerce and Industry) Private and Executive Secretary's Diploma at Cornwall College and took on a position in London as a Coordinator for International Business in a Management Consultancy. I later completed a Diploma in Management Studies at Greenwich University followed by CIPD at the University of Plymouth. I worked in various Human Resources positions within PriceWaterhouseCoopers London, Devon and Cornwall Housing Exeter, Marks & Spencer Money Chester, and Shelterbox in Helston.

We returned to Cornwall from the Wirral in 2009 when my husband started his first job after qualifying as a veterinary surgeon.

I volunteered at Owlets Nursery (Garras School) when my first son attended there. I continued to do voluntary work at Mullion Nursery when my second son attended there from September 2014. I realised that I loved working with children and being part of the community and decided to return to Penwith College to study for my Level 3 Early Years Workforce which I completed in July 2017.

We are privileged to be able to bring up our children in such a unique village and beautiful area and I am passionate about enabling children in the village and local area to have opportunities in which they can thrive. I would hope my professional experience in Human Resources, coupled with my interaction with children and my involvement with other village organisations help to make a difference in the education of not just my children, but the school as a whole.

I am the Secretary and a Coach for Mullion Surf Life Saving Club and my husband is the Chairman and a Lifeguard. I also enjoy days out with my family, e.g. coastal path walks, beaches and woods, swimming, ballet and spending time with friends.

I am a Parent Governor at Mullion School with particular responsibilities for Safeguarding, Modern Foreign Languages, Maths and School Organisation.
