Dear Parents and Carers of Mullion School,

Following my decision to move on I am writing to you all to inform you that this week will be my last week at Mullion School. For over a year now I have been struggling with a tear to the ligament in my left knee and I have finally received an appointment to have the surgery it requires. With my successor already in school and not knowing how long I will be off work recuperating, it makes sense to all involved to handover to Mrs Penberthy and allow her and the senior team to get started and continue to move the school forward.

I am really pleased that the Trustees and Governors decided to appoint Mrs Penberthy, and it certainly makes leaving much easier knowing that such a strong, experienced professional who shares the values of Mullion School is taking over. I want to wish Mrs Penberthy good luck with her chapter of Mullion's story and can assure you all that the school and your children are in safe hands.

As I said in my previous letter, I am extremely proud to have had the honour of leading this wonderful school and wish you all the very best in the future.

Yours faithfully

Wayne Randle
