Re: Raising Achievement Leader for year 8.

Dear Parents / Guardians of pupils in year 8,

Murray Park School is committed to making sure every student achieves the academic results they need. That is why we are pleased to announce the formation of a new team who will be working with teachers and parents to ensure all students get the support they need to fulfil their potential.

The Raising Achievement Team will be focussing on monitoring student achievement, identifying needs and co-ordinating responses to help pupils in securing progress across all subjects. They will build upon the great work already being done to support students and will be introducing additional activities to maximise achievement for all.

As **Raising Achievement Leader for year 8**, I will also be working closely with the Head of Year. Whereas the Head of Year will continue in their essential role of overseeing the pastoral care of your child, my role as Raising Achievement Leader will be focussed on the academic progress of students. This means you have an additional point of contact if you have any concerns or enquiries specific to the progress of your child. Please use the email below:

lucy.mitchell@murraypark.derby.sch.uk

I am excited about the upcoming opportunities of working alongside our pupils to support their studies and look forward to speaking with many of you soon.

Lucy Mitchell
Achievement Leader for year 8.

Raising Achievement Team
