

# Cheaper than a new School jumper!

Simple, safe, secure...

**Kids these days carry a lot of expensive equipment, from trainers and clothing, to books and sportswear. So, it's scary to think that the average student loses seven items per month.**

Having a school locker can help to reduce these numbers. Creating a constant, secure location for students to store possessions safely. With the added advantage of keeping books dry and promoting better back health.

**And, when you consider prices start from just 12p per day, the decision is simple.**

Students lose  
an average of...

...items per month\*
