

# THE MURRAY PARK APP

All of Murray Park's school communication comes through our dedicated app - available on Android via Google Play and Apple via the App Store by searching for "Murray Park".

It's simple to download and is the only way to ensure you are up to date with what's going on in school. Our app allows you to:

Report absence.

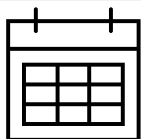

Direct message school.

Hear about trips, clubs and other opportunities for your child.

Check on your child's progress and attendance via Go4Schools.

View the school calendar for term dates, holidays, events etc.

Parents and carers need a sign up code to login for the first time. We'll contact you before September with the code.

Email: [app@murraypark.derby.sch.uk](mailto:app@murraypark.derby.sch.uk)

Call us on 01332 515921.
