

## REVIEWS OF RESULTS

July 2024

*Murray Park School is able to request the following:*

Access To Scripts (having your exam paper returned to us, which is the first step in all cases)

Clerical Recheck\* (having your marks added up again)

Review Of Marking\* (not a re-mark, but a check to see the mark scheme has been correctly used)

Review Of Moderation\* (not open to individuals, only the full subject candidate group. Not a re-moderation but only to see that the mark scheme has been correctly applied to the group)

*Please note that you will have to complete a declaration giving consent for us to access your exam paper and any subsequent Reviews or Rechecks. Emailing consent: all emails giving consent should be sent from your school email address. We cannot accept verbal consent or parental consent. **\*You must understand that your marks could go down as well as up, and that your overall subject grade could be changed by the result of any review.***

**Key date is 24 September 2024**

**The best course of action is to speak to a member of staff at the school before you do anything** and, in all cases, teachers will want to have your exam paper returned (Access To Scripts) so they can have a look on your behalf before recommending progressing to a Clerical Recheck or Review Of Marking. You need to give written consent for us to look at your exam paper. This should be completed as soon as possible, **and ideally by the end of the first week in September**. In some cases, you may be advised not to pursue further reviews as your grade may be at risk of going down, or you may be asked to sign a consent form/email consent to go to a Clerical Recheck or a full Review of Marking (your overall subject grade could be changed down or up or stay the same). If you have been advised not to pursue a Review of Marking then Appeals and Challenges can be presented to Mr Hagen or Mrs Caley.

**All Reviews Of Results should be in progress as soon as possible.** Written or emailed consent must be given and requests must be in progress with the exam board **by Tuesday 24 September 2024**. If you miss the deadline no action can be taken. **Allow enough time for school to look at your exam paper before moving to the next stage as we will not go forward without seeing your paper/s first.**

You can get advice or support by emailing [ExamSupport@murraypark.derby.sch.uk](mailto:ExamSupport@murraypark.derby.sch.uk), speak to the Exams Manager (Miss Redcliffe Gordon) or an Assistant Headteacher such as Miss Dodd or the Deputy Headteacher, Mr Hagen.

You cannot go direct to the exam boards – they will refer you back to school – and after the result of the review you will have the opportunity to Appeal where supporting evidence can be presented to a school panel and school will then take a decision about whether the Appeal can reasonably progress.
