

MURRAY PARK SCHOOL
PROVIDER ACCESS POLICY

Title of Policy	Provider Access Policy
Date of Adoption	Spring 2025
Originator	Jan Woolley
Date of Review	Spring 2026
Additional Information	January 2024 – no further changes to the policy This policy has been updated as a result of the change in legislation set out in the ‘Skills and Post 16 Education Act 2022’ which came into effect in January 2023

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education 1997 and the Skills and Post 16 Education Act 2022.

Student Entitlement

All students in years 8 to 11 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

For students of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for students during the 'first key phase' (year 8 to 9) and two encounters for students during the 'second key stage' (year 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- Share information about both the provider and the approved technical education qualifications and apprenticeships that the provider offers.
- Explain what career routes those options could lead to.
- Provide insights into what it might be like to learn or train with the provider (including opportunities to meet staff and students from the provider).
- Answer questions from students.

Meaningful Provider Encounters

One encounter is defined as one meeting / session between students and one provider. We are committed to providing meaningful encounters to all students guided by the Careers and Enterprise Company's 'Making it Meaningful' checklist.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our students.

Procedure

A provider wishing to request access should contact Jan Woolley, Careers Lead or Tim Taylor Aspirations Careers and Employment Co-ordinator:

jan.woolley@murraypark.derby.sch.uk

tim.taylor@murraypark.derby.sch.uk

Opportunities for access

The school offers the four provider encounters required by law in KS3 and KS4 (See Appendix A below – programme of events) and a number of additional events, integrated into the careers programme. We will offer providers an opportunity to come into school to speak to students or their parents or carers.

Please speak to our Careers Lead or ACE Co-ordinator to identify the most suitable opportunity to you.

Premises and Facilities

The school will make facilities available to providers, appropriate to the activity. Use of IT equipment to aid in presentations will also be made available when arranged in advance. Literature will also be displayed in our Careers Centre and appropriate links included on the Careers section of the school website.
