AMBITION STATEMENT

At Murray Park School, our curriculum vision is to provide an ambitious and inspirational education for all of our pupils. Our strong set of values: Perseverance; Respect; Independence; Dreams and Excellence (PRIDE) underpins our ethos. Through our curriculum, our pupils develop the confidence to embrace the responsibilities that life has to offer and to become valued members of the local community, both now and in the future.

In all lessons the pupils are challenged and engaged in an education that prepares them for their futures. Our Learning Motto, OASIS, enables all of our pupils to develop life skills, such as, creativity, empathy and collaboration, resulting in resilient individuals with high aspirations.

We are passionate about our pupils' personal development and put this at the heart of everything we do. We provide cultural capital experiences to our students through the Murray Park Charter for Success, where students are supported and encouraged to try new activities and experiences such as visiting the theatre, volunteering, learning to

play a musical instrument as well as much more. As well as this, we produce an annual trip schedule which includes a number to international destinations, including outside of Europe. These are fully funded for students, where required.

Our health and wellbeing provision ensures that our pupils lead healthy and fulfilling lives and that every pupil has the knowledge and confidence to take care of their own physical and mental wellbeing.

As a result of our outstanding careers programme, all of our pupils are prepared for the next stage of their education, training and employment through our extensive network of business partners and dedicated careers' centre. Our wide range of extra-curricular activities include residential opportunities and international travel. These opportunities enrich the formal curriculum and deepen the pupils' knowledge and skills.

"The quality of provision and pastoral care for our students has an exceptional impact on their lives."

ALTERNATIVE PROVISION DEPARTMENT

Murray Park School is a highly inclusive school. We go to great lengths to ensure every child can and does succeed in education. As part of our provision we have developed The Bridge, a specialised unit for pupils with additional needs or those at risk of exclusion, the pupils who access the provision can be taught the full curriculum in smaller groups.

The aim of the unit is to reintegrate pupils back into mainstream education - they will leave armed with strategies to help them deal with their areas of difficulties. Courses are available for pupils to access, these can include anger management, resilience, confidence building, behaviour and self-esteem.

The pupils attending the 'Bridge' do so with a personalised package in place which supports their individual needs, some pupils attend for a short period of time and are then reintegrated back in to their mainstream lessons. They may receive all of their lessons in the 'Bridge' where the teachers from mainstream deliver the lessons within the provision, or they go back into the main school setting with additional support.

As part of our alternative provision unit we also develop, organise and deliver small group and intervention packages, this can include sporting activities, trips and opportunities to work within the school or community. We have our school community garden which has helped pupils engage in outdoor learning, and has given them opportunities to work with the local community.

We also introduce our pupils to the world of work and the different and exciting opportunities that are available to them, we do this by linking lessons to the workplace and giving pupils the opportunity to learn from employers about professions and the skills that are valued in society. Students take part in visiting places of work and have access to an enhanced careers programme in order to develop the skills needed when considering their next stage of life after Murray Park.

We prioritize the professional development and well-being of each staff member through regular Continuing Professional Development (CPD) sessions tailored to their individual needs and areas of growth. Additionally, we recognize the importance of maintaining a healthy work-life balance, which is why we provide dedicated well-being time, allowing our team the opportunity to rejuvenate and recharge during working hours. By investing in our team's development and prioritising their well-being, we ensure that they are equipped to deliver their best.

"Murray Park School is a great place to work. If you are passionate about making a difference to the lives of young people, this is the place to be."

Alfie Holland - Head of Year and Teacher of PE
