Special 'welcome back' Edition – Autumn 2020

What an exceptionally strange year we have had so far. With Coronavirus affecting the whole world, we have seen many changes in the way we live our lives. Amongst all of the disruption that the virus has brought, there has also been a lot of things to celebrate - some of our children at Bishop's have grabbed opportunities and risen to new challenges. We feel that these stories need to be shared so that we can all feel proud and enjoy these great achievements. In this edition, we share some lockdown stories from across Bishop's. Alongside these are photos of how well our pupils have settled back into PE & Sport back at school!
