1 April 2019

Dear Parents

The Great School Clean

Castle School staff and pupils will be taking part in “The Great School Clean” (in association with Keep Britain Tidy and the Daily Mail’s Great Big Spring Clean) on Friday 5th April 2019 in the area immediately around our school.

If possible, can you please send a pair of gardening gloves, or other old gloves, in that day for your child to wear during the activity to ensure their hands are protected.

If anyone has a litter picker at home that they would be willing to lend us for the day, please send that in with your child, labelled with their name to ensure you get the correct item back.

Many thanks

Sara Wild

Principal – Castle School
