Dear Parent/carers

**** Positive Behavioural Support Workshop (PBS) ****
**** Sleep Workshop ****

I am writing to draw your attention to a flyer we sent round a few weeks ago about some Workshops that Castle School will be hosting, 2 on Positive Behaviour Support and another workshop relating to sleep.

We are delighted to welcome Skills for People, who are leading these workshops, to our school. In case you did not see the flyer, I have attached it again for you.

Please note, you should **contact Skills for People directly** (details on the flyer) if you would like a place. However, if you need support with this, please do let us know, we will be more than happy to help.

This is an excellent opportunity – we use Positive Behavioural Support in school and we know sleep can be an area of concern for many of our pupils (and parents!), the courses are free of charge and lunch is included.

There are still places available and I would urge you to take this opportunity if you would like support in either or both of these areas.

Yours sincerely

Sara Wild
