

## PE and Sport Premium Grant

The PE and Sport Premium is provided by the government and must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils. Further, it should promote the development of healthy, active lifestyles.

In Castle School, this means;

- Developing the physical ability of all pupils to engage with movement and physical activity in order to promote a healthy and active lifestyle, which will also support their access to education as a result of improved physical condition.
- Ensuring that the staff working with our children are highly skilled in teaching sports and physical development as possible, supported by external expertise.
- Providing good PE equipment which provides variety and different ways of experiencing PE.
