

What can you expect from your Careers Education and Guidance at Duke's Secondary School?

As a learner at Duke's Secondary School you are entitled to:

- Help to make decisions about your future whenever you need it
- The opportunity to go on workplace visits and listen to inspirational speakers
- A well-stocked and up to date careers library including the latest software
- Face to face impartial Careers Guidance which is given in your best interest
- Knowledge of the world of work and skills needed to be successful in your job

An idea of what this might mean for each year group is given below:

For the 6th Form this might mean:

Investigating post-18 options and finding the right route after 6th Form

Continued 1:1 support to plan your future whenever you need it

Help to find a meaningful Enrichment experience to aid your long term goals

The opportunity to listen to weekly inspiring speakers

Practical help to find the right job, apprenticeship or university place

Learning how to handle your finances

For Years 10 + 11 this might mean:

Investigating post-16 options and finding the right route after GCSE

Learning about apprenticeships and other vocational pathways

Organising work experience placements

Attending college and training provider visits to see what they have to offer you

Having the chance of 1:1 careers interviews whenever you need them

Signing up for university masterclasses, visits and summer schools

For Years 7 - 9 this might mean:

Being introduced to the National Careers Service and how they can help you

Learning about Enterprise and how young people can start a business

Having the opportunity to attend the twice-weekly lunchtime Careers drop in

Going on employer and university visits to bring courses, qualifications and jobs to life

Learning about the North East jobs market

Being shown the school's careers software programs
