19th May 2021

Dear Parent / Carer,

DUKE'S SECONDARY SCHOOL CHROMEBOOK LOAN PROGRAMME **YEAR 11/ 6f 2021-22**

Using technology in school and at home brings a new dimension to learning and to the opportunities provided for learners to work in new ways. At Duke's Secondary we are committed to providing an inclusive and accessible digital learning programme for all students, and plan to have all students equipped with Chromebooks by the end of a three year development cycle.

Phase 1 will see Duke's Secondary School provide all current year 10 and 6th form students with a Chromebook and a range of digital learning tools and resources to assist and enhance their learning at school and at home. Students will use their Chromebooks in school and will be allowed to take their Chromebooks home.

This agreement outlines a number of principles that we would like you and your son / daughter to commit to. As a school we are prepared to provide all of the back-up and resources needed to make this work, but we also need the commitment of parents and students. Chromebooks will be allocated on receipt of a signed agreement form (included as part of this letter).

Please note that students are not allowed to bring in to school any other Chromebooks in place of the assigned Chromebook. A 'Frequently Asked Questions' document accompanies this agreement, and can also be viewed on our school website.

If you have any questions relating to any of the information contained in this agreement, please contact admin.dss@dukes.ncea.org.uk

Yours sincerely,

Mr S. Thompson

Associate Leader / Director of Creative Arts
