

# HOME LEARNING THE DUKE'S WAY

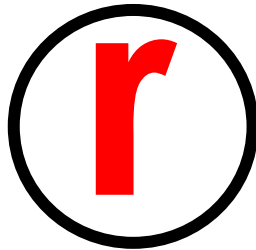

## Step one

### LEARN

Access the learning resources set by your teacher on Google Classroom

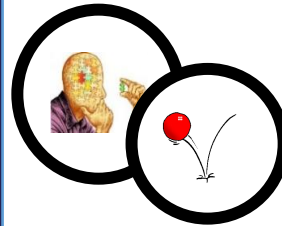

## Step two

### RETRIEVE

Think about your prior learning and how this could help you complete the task you've been set

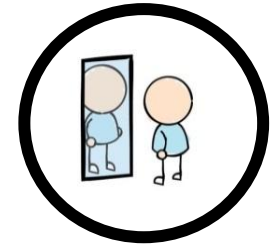

## Step three

### THINK HARD AND BE RESILIENT

Complete the task to the best of your ability; take a break and come back to the task if you need to.

## Step four

### REFLECT

Reflect and review your learning
