Principal: Mr R Atkinson

Dear Student / Parent,

The Dukes' Year 11 Revision Timetable is now live on the school website. To access it, please follow the link below or go to the school website / *Student Hub* / *Revision Timetable*.

[Revision Timetable | Duke's School \(ncea.org.uk\)](#)

The timetable shows the dates and times of all revision sessions over the summer exam period 16/5 to 24/6/2022. These revision sessions will provide an opportunity for teachers to present last minute instruction, revision and advice before each exam and for that reason, all students are expected to attend the sessions for which they are taking an exam.

Students will be in full time school as normal up until we break for the half term holiday on Friday 27th May, so revision sessions up to this time will form a part of the normal school day. Once students return to school on Monday 6th June they will only be expected to attend when they have their usual timetabled English or Math's lessons or any of the revision sessions shown on the timetable. Once the final English and Math's exams have taken place (the last English exam is Friday 10/6/22, the last Math's exam is Monday 13/6/22) students will only be expected to attend school for their remaining revision sessions and exams.

May I take this opportunity to wish you well for the coming exam period and remind you that there is plenty of revision material available on subject Google Classrooms to support preparation for each exam. We also have a link to provide access to Ponteland High School's excellent revision website which provides plenty of tips and advice for effective and successful revision.

And finally, remember that every success starts with the decision to try.
Good luck.

Mr Line
Deputy Principal
