Principal: Mr R Atkinson

07/10/2022

Dear Parents & Carers,

Earlier in the term I wrote to you to inform you of an online resource called National Online Safety which provides valuable resources for parents and carers, as well as school staff. These resources are free for you to access.

I am writing today to highlight the 'Annual Award in Online Safety for Parents and Carers' which can be found on National Online Safety.com. There are two courses available appropriate to the age of our students. One is for parents and carers of children aged 11-14, and one for parents and carers of children aged 15-18. You can, however, also find similar courses for parents and carers of younger children on the site.

The courses can be found by following the links below:

<https://nationalonlinesafety.com/hub/view/course/os-for-parents-carers-of-children-aged-11-14> or for older children,

<https://nationalonlinesafety.com/hub/view/course/os-for-parents-carers-of-children-aged-14-18>

Should you not have created a National Online Safety account yet, and would like to, please follow this link please go to

<https://nationalonlinesafety.com/enrol/ncea-dukes-secondary-school> and complete your details. When you're set up, you'll be able to set '**Parent/Carer**' as your user type.

A video explaining the process for enrolling can be accessed [here](#)

You can access National Online Safety online via any device- including via smartphone app. To download the app, please go to:

<https://apps.apple.com/gb/app/national-online-safety/id1530342372>

<https://play.google.com/store/apps/details?id=uk.co.nationaleducationgroup.nos>

Yours sincerely,

Mr S. Thompson
Assistant Principal
