Principal: Mr R Atkinson

Dear Parent/Carer

Our Ks4 Option Process is now under way. Over the next couple of months we will be supporting your child in making the correct choice of subject for them to take forward to their GCSEs.

All relevant information to support this process can be found on the school website under the Student Hub drop down menu. Here, you will find the schedule for the option process as well as option blocks and the prospectus for last year's options. This will be updated over the next few weeks, but has been left on for students to see the types of options that will be available to them to choose from.

The process for this year begins with a series of subject presentations that can be found on the website, where subject leads provide a summary of the individual courses that are offered. Students will have the opportunity to watch these during tutor time, but they are also useful for you to watch with your child at home in order to gain an idea of what the different subjects are and what they entail, so that you can support your child to make an informed choice when it is time to fill in the final forms.

A link to the resources on the website is below:

[Year 9 Options | Duke's School \(ncea.org.uk\)](#)

Please keep an eye on the school website and on our Facebook feed for further updates on the process.

Yours sincerely

Mr B Line
Deputy Principal
