Dear Parent/Carer

Y11 & 6th Form February Half-Term Revision Sessions

I hope that you are looking forward to the half-term break and your family are looking forward to the lighter nights.

As we approach the half-term break, the commitment of students to their studies is vital in order for them to achieve the grade that they are capable of. We are continuing to develop the link between teachers, students and parents over the coming weeks, with the end goal being that your child achieves a set of grades that they are proud of in the summer.

We are working diligently to support your child's progress in all subject areas and have organised subject learning sessions over the half-term holiday. You can find these below:

We would be very grateful if you could support your child's attendance at subject sessions over February half term to support and further develop their individual progress and fulfil their potential.

Yours sincerely
