Dear Parent/Carer

## Y11 Easter Term Revision Sessions

As we approach the Easter term break, the commitment of students to their studies is vital in order for them to achieve the grade that they are capable of. We are continuing to develop the link between teachers, students and parents over the coming weeks, with the end goal being that your child achieves a set of grades that they are proud of in the summer.

We are working diligently to support your child's progress in all subject areas and have organised subject learning sessions over the Easter holiday. You can find these below:
