Dear Parent/Carer

Y11 & Y13 May Half-Term Revision Sessions

As we approach the May half-term break, the commitment of students to their studies is vital in order for them to achieve the grades that they are capable of. We are continuing to develop the link between teachers, students and parents over the coming weeks, with the end goal being that your child achieves a set of grades that they are proud of in the summer.

We are working diligently to support your child's progress in all subject areas and have organised subject learning sessions over the half-term holiday. You can find these below:
