

History

Knowledge organiser – Transport (LKS2)

What will we be learning?

Children can be introduced to the idea that transport has changed considerably in the locality over time and that this has had a significant impact on the way that the community has changed and developed. They can also understand how and why these developments have occurred.

Key knowledge

Transport in the local area:

- The different kinds of transport in the local area long ago
- Differences in transport past and present and how it changed over time.
- Challenges people had when using transport in the past.
- Reasons for changes in transport e.g. the coming of the railway
- Impact of changes for local people
- Changes in recent times: road improvements and closing of the railway

Enquiries:

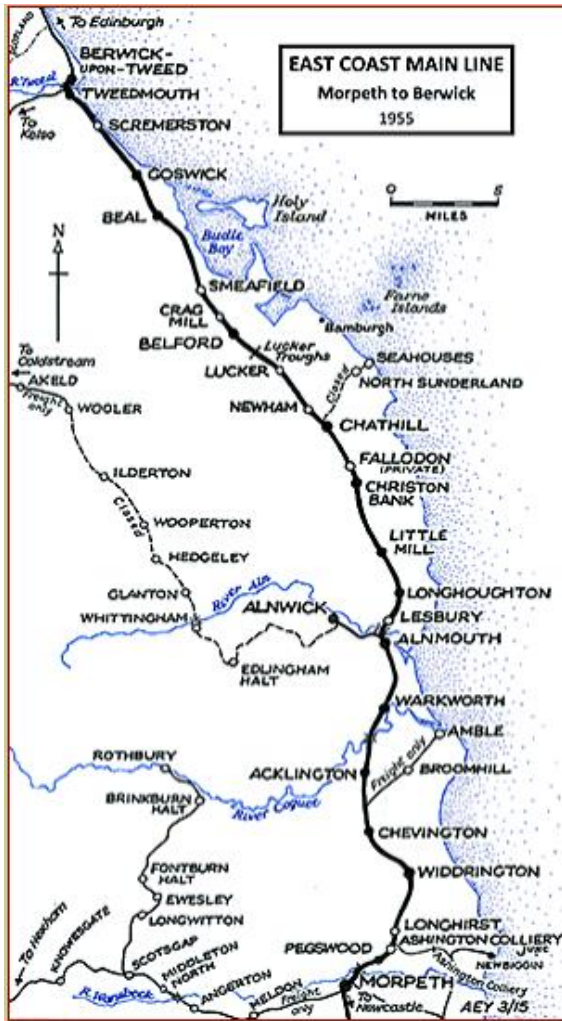

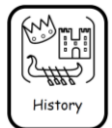

- **How did early transport hold back developments in the locality?**
- **Why were improvements made to transport in the locality?**

Key Vocabulary	Possible Evidence
<p>Transport, changes, community, challenge, benefit, roads, railways, impact, trade, goods</p>	<p>Can the children:</p> <ul style="list-style-type: none"> • make decisions regarding transport effectiveness; • investigate transport from the past; • sequence transport developments; • investigate past transport in the locality; • assess the successes and problems of using past transport; • summarise the key features and attitudes towards transport in the past; • explain how people might have felt and acted at the time; • communicate understanding in different formats?
