# WE ARE A READING SCHOOL!

- Our ambition is for every child to read by 7 using a synthetic phonics approach and to develop a love of reading for fluency and comprehension in order to access a broad and balanced curriculum. We do everything to make this happen.

# RWINC – OUR METHOD TO TEACH PHONICS

**Read Write Inc.**

## Reading

- When using RWI to read the children will:
- Learn 44 sounds and the corresponding letter/letter groups using simple prompts
- Learn to read words using sound blending (Fred talk)
- Read lively stories featuring words they have learnt to sound out
- Show that they comprehend the stories by answering 'Find It' and 'Prove It'
- Mrs Lockey is our phonics leader.
- Children **will** read every day in school and **we expect** them to read every day at home.

# ACCELERATED READER – A LOVE OF READING

## What is Accelerated Reader?

- Accelerated Reader is a computer program that helps teachers and librarians manage and monitor children's independent reading practice. Your child picks a book at their own level and reads it at their own pace. When finished, your child takes a short quiz on the computer. (Passing the quiz is an indication that your child understood what was read.) Accelerated Reader gives children and teachers feedback based on the quiz results, which the teacher then uses to help your child set goals and direct ongoing reading practice
